A YEARLY THRILL

Mr. T. Walker, Manager-Secretary of Heart of Midlothian.

Once each year, the combined efforts of our national body, our State Associations, and Mr. Jack Skolnik bring to the participants and supporters of soccer in Australia a superb and delighful thrill.

This sublime event materialises with the annual arrival here of a soccer team whose name is not only a household word in the football world, but is also identified with the upper echelons of "class" in our code.

In the recent past, we simmered with anticipation for months, and were finally thrilled by the physical sight of Vienna Rapid, Ferencvaros, F.K. Austria, Blackpool, and other teams in actual, scintillating play.

These were tremendous occasions for us — soccer lovers who are so far removed from the world centres of the game.

Once again, today and tomorrow, we are to be thrilled by the presence and football displays of yet another world-famous combination — the HEARTS of SCOTLAND.

Our players will be thrilled, and will count it a glorious honor to play against them, win or lose.

Our supporters will be thrilled by their football class and varying techniques.

It only remains for us to hope that our visitors, the well-loved and respected HEARTS, will be equally thrilled by their long and interesting journey to AUSTRALIA, and by the warm reception, of which they are most certainly assured, in this distant outpost of soccer.

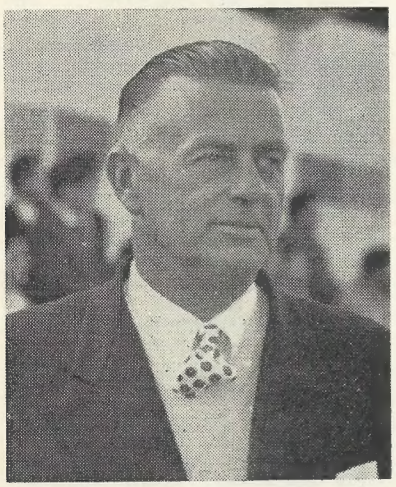
A WELCOME FROM OUR CHAIRMAN



Mr. W. R. Thomas

We in Victoria are proud to-day to extend a warm welcome to our visitors from Scotland.

All Soccer followers are well aware of the "Hearts'" great record over the years and in particular during the past few seasons. We are looking forward to watching them play and their exhibitions in Australia to date assure spectators of seeing a team of world class standard.

My friends from Scotland tell me that Mr. T. Walker (manager) was one of the greatest players Scotland has ever produced, so we can be sure that his knowledge of the game has not only been a wonderful asset to his club, but we should also see his influence reflected in the team when the "Hearts" appear to-day.

I saw them play the first game in Sydney and that, together with reports on their play in later games assure that we are going to enjoy football of a standard which will thrill all who are fortunate to see them at Olympic Park.

To Mr. Strahan, Director and Vice-Chairman; to Mr. Tait, Director, and all members of the team, I am sure you will find in Melbourne many friends. We all regret that you will be here for only three days, as so many people would like the opportunity of renewing old friendships; but brief though your stay be, it is our sincere hope that you do enjoy yourselves here and leave with pleasant memories of Victoria.

Fine Record of Hearts

Hearts has built up a remarkable record in the last five seasons.. In the first of them it won the Scottish League Cup, and in the following season, it won the Scottish Cup. It was runner-up in the Scottish League championship in the 1956-57 season, won the title the next season and this season won the Scottish League Cup and was runner-up to Glasgow Rangers in the League championship. That is a remarkable record and one that not only takes some matching but shows how grand a team is Heart of Midlothian, an Edinburgh combination.

Good Exchange

It is unfortunate that David Mackay, a left half-back, who was one of the original members of the party, was transferred to Tottenham Hotspur, which paid £30,000 for him, was not allowed to make the trip, since Tottenham Hotspur required him to make a tour with it. Jim Fotheringham, a 6 ft. 4 in. stopper, was included in the party when Mr. J. Ford, a club director, had to withdraw. Fotheringham, a Scot, was recently transferred to Heart of Midlothian at his own request because, he said, he was "homesick for Scotland." He played almost 200 first division matches with Arsenal and is a noted capture for Heart of Midlothian.

There are six Scottish internationals in the Heart of Midlothian side which has 16 players. They are Jimmy Wardhaugh, the inside-left and captain, "Wee Willie" Bauld, Jimmy Murray, who played in his first top division match when 17, John Cumming, Alex. Young and John Hamilton. Murray was Scotland's inside-right in the World Cup tournament in Sweden last year.

Bauld, who is 32, is the senior member of the team. He has played 11 times for Scotland. Gordon Marshall, the only goalkeeper in the party, and Bill Higgins, who are 20, are the youngest members of the side.

Mr. Walker is an outstanding administrator and was a remarkable player. He returned to Heart of Midlothian when he finished his career as a member of the Chelsea side. He played many times for Scotland.

PEN PORTRAITS OF THE PLAYERS

Heart of Midlothian

JIMMY WARDHAUGH (inside-left)—Not only does Jimmy Wardhaugh play football well but he writes intelligently on the game as well. When Davie Mackay was off for a spell injured towards the end of last season, Jimmy acted as skipper and never lost a game. In fact, in that last game of the season he got the all-important winner against Rangers; and what a goal! On any kind of ground he can hold the ball beautifully and his timing is perfect. He has all the secrets on smooth ball play. No Hearts player has ever scored more goals than he has in a season and it looks like being a record which will stand the test of time for many a long day. His goal scoring feats are certainly an inspiration to his clubmates. He gained International honours with the A.T.C. for Britain in the Youth International series at Geneva in 1946 and, in the same year, signed for Hearts. Married and has a family of three.

JOHN CUMMING (left-half) — As game a half-back as ever stepped into Tynecastle, whose play in Canada was a bit of a revelation to the "Exiles" who watched him. John came to Hearts in 1950 from Carluke Rovers. His development was quick, and four years later he was "Capped" for Scotland against Hungary. In the same season he gained more honours. For his size he is a remarkable dribbler and his anticipation is quite uncanny at times. John can play on the wing if needed, which goes to show what a fine versatile player he can be.

BOBBY BLACKWOOD (forward) — As soon as Bobby Blackwood was able to change from a khaki suit into a civvy suit after his National service in Malaya, shortly after the Hearts started their training last season, he signified his intention of becoming a full time player. Bobby has been playing top football out East and trainer Johnny Harvey soon got to work in making him tick-over into a faster winger than when he left Tynecastle. He got down to the ball control and, when opportunity knocked at his door, he found himself with a regular place in the League side.

GORDON MARSHALL (goalkeeper) — Having a safe last line of defence is an asset to any club and that is where Gordon comes in. As usually happens with a young goalkeeper he keeps in trim for the chance to show his paces when injury befalls the regular custodian. Strongly built, he has a keen eye and a spring like a cat for the high balls. The past season taught him a lot of usefuul things for the future.

GEORGE THOMSON (left-back) — George, who belongs to Edinburgh, came to the fore last season with a convincing record in a tournament in which every game was more or less a cup-tie. He has a sure defensive approach for the job. He was playing for Edinburgh City in Coronation Year when Hearts were attracted to him. George was originally a left-half but the consistency of John Cumming denied him a place in the League side. This does not worry him.

WILLIAM HIGGINS (half-back) —Billy was committed to Rangers before he came to Tynecastle. The Ibrox club signed Billy, on a provisional form, while he was playing with Dalkeith Thistle early in season 1956-57. Bill made a request for his registration to be cancelled so that he could concentrate on his studies in Edinburgh. Manager Scott Simon obliged and not very long afterwards Billy signed for Hearts.

BOBBY KIRK (right-back) — "You can depend on Bobby Kirk arriving on the goal-line to cover up at the crucial moment" a Hearts' follower said of him to a friend. How true! Robbie has a cool head when danger is around. An Arniston lad, Bobby, started his senior career with Dunfermline

Athletic and thereafter moved across Fife to Kirkcaldy where he suited Raith Rovers better. Three years ago he crossed the Forth to Hearts and in that time he has fitted well into Bobby Parker's right-back berth and has played no mean part in Heart's defensive brilliance. He is reliable and always fit for the fray. In fact, Bobby is at home in either of the full-back positions.

ALEX. YOUNG (inside-right)—For a lad of his early 20's Alex. Young must be very happy about his progress in football since he made his senior debut three seasons ago. Ex-Celtic and Scottish International, Jimmy McMenemy said of him, "The lad's got plenty of football brains and he's fleet of foot and what more can any manager want today?" Alex. had a good season in 1957-58 when he got a Scottish League "cap" at Newcastle, and throughout the year the sports writers often had him in the headlines. The Loanhead boy who works as a calliery engineer is as modest as you make them. His intelligent passes and quick scoring feats have made him very popular with the crowds everywhere. He has also Under-23's Scottish caps.

JOHN CRAWFORD (outside-left) — Since Ian came out of the Queen's Own Cameron Highlanders at the start of last season he decided to make football his full time career. Strange that neither Hibernians nor Hamilton Accies, wanted him when he was a free agent three years ago. Anyhow, he has made a solid contribution to the championship team with his dazzling wing play and his ability to have a crack at goal, which he achieved on the day he scored two goals in the final of the Scottish Cup in 1955-56. Ian can move across the field to the opposite wing if necessary. He is fast and good at trapping the ball. He is married with a family.

JOHNNY HAMILTON (outside-right)—The "wee man" in the "Candy stripped" jersey who never gave up against that Scottish XI at Tynecastle. Johnny Hamilton will never live that night down. Against the cream of Scottish defenders Johnny found his dribbling boots and he was hearalded by many as the player who stood out for sheer brilliance among the 22. He is the most entertaining winger in Scotland and how the crowd roar their heads off when these sudden bursts of inspiration spark him on some mazy running. He never stands still himself nor allows any of the opposition to do so either. The Lanarkshire boy is a personality, who came to Tynecastle three years ago after service with Lesmahagow Juniors. "Wee Hammy" as he is familiarly called is the champion cuist at Tynecastle. He is married.

JIMMY MILNE (centre-half)—Learned his football in his native Arbroath where he was told that football history began many years ago. Following a spell with the juveniles, Jimmy joined Brechin Victoria before he went to Gayfield Park with a senior ticket. But Jimmy did not fancy "B" Division football, and he was given a free transfer in 1950. Watched by Hearts, Jimmy was signed, and last year was his most notable since he pulled a maroon jersey over his head. After Freddy Glidden was injured in the New Year, Jimmy played against Raith Rovers at Stark's Park in a vital League fixture and never lost his place until the close of the season. A workmanlike player and a strong defender who can stake a claim to fame in preserving that low scoring record against the side last season.

JIMMY MURRAY (right-half)—It was eight years ago that a raw recruit came across from Merchiston Thistle to strip at Tynecastle. Jimmy then never dreamed that at the end of that period he would be wearing a Scottish "cap" on foreign soil. Last season Jimmy played with such intelligence and vigor that he not only maintained his place in the League side at Tynecastle but he also caught the eye of the Scottish selectors and justified their confidence twice in the Swedish tournament. "He has played himself into the Scottish team of the future," the critics said. He is a good looking chap with tremendous enthusiasm for the Hearts. A strong shot and a beautiful header of the ball as his scoring record

showed last season. As a schoolboy he represented Scotland against England.

WILLIE BAULD (centre-forward) — According to the Canadian newspapers "Our Willie" was in cracking form throughout the tour and that is good news for the faithful at Gorgie. Only the other day his former rival, Lawrie Reilly of Hibernians, praised Willie for his football brain and his scoring prowess. His brain has conceived many a movement which bore the stamp of class in the days of the devastating work by his colleagues Conn and Wardhaug. Who knows? these days may return. Born in Edinburgh, he served juniordom with Musselburgh Athletic and Newtongrange Star before taking the Tynecastle ticket. What a wonderful influence Willie has among the boys and he can still show the best of them how to dribble and shoot.

A Round-Up of Hearts

By J. M. Cook

✦ The most "capped" Heart of all times was the famous Bobby Walker—between 1899 and 1913. Bobby had gained 29 full international caps against England, Ireland and Wales and during the same period he also had 15 League caps.

✦ Scotland's biggest ever transfer took place about six weeks before the end of last season when Hearts and Scotland's captain, wing-half Dave McKay, was transferred from the Edinburgh club to Tottenham Hotspur at a reputed £30,000 fee.

✦ Hearts bought three new players before the end of last season and were reputed to have spent two-thirds of the McKay transfer fee for inside-forward, Rankin, from Queen of the South and full back, Dan Ferguson, and wing-half, Bobby Walker, from Hamilton Accies., the Scottish 2nd Division club.

✦ Hearts' buying of players Ferguson and Walker from Hamilton led to the resignation of Hamilton's managing-director, Andrew Millar.

✦ Tommy McKenzie, who played full-back for the Hearts for the past 15 seasons, was released at the end of this season.

Tommy has received two full benefits during his long service at Tynecastle.

✦ Freddie Glidden, former Hearts' regular centre-half was released on a free transfer at the end of the past season as also was reserve centre, Hugh Goldie. Goldie was later signed by Patrick Thistle.

✦ Hearts signed centre-half, Jim Fotheringham, of Arsenal, late last season at a sizeable fee.

Fotheringham, a Scot and well over the 6 feet mark, played in International trials.

✦ Hearts' regular centre-half, Jimmie Milne, who has been with the club a few seasons, was originally with Arbroath, the Second Division club, who this season have gained promotion.

Milne was allowed to go after a season with Arbroath and Hearts promptly signed him up and Milne has given his present club good service.

✦ Manager, Tommy Walker, snr., has been playing with some considerable success in Services football.

✦ During the past 1958-59 season Hearts were runners-up to Rangers in the First Division Scottish League championship.

By a coincidence, Hearts and Rangers both scored the same number of goals—92—and both conceded the same number—51.

✦ Hearts have never been in the Scottish Second Division.

You are wrong — the shot missed. De Bruyckere, captain-coach of the State team, bluffs the George Cross defence but fails narrowly to score.

Notes

By RON. WILSON (Essendon).

Soccer in Victoria has gained tremendous popularity since it first began 77 years ago. Interest has become so great because at last junior teams have attained their first interstate matches, owing to the efforts of the Victorian Amateur Soccer Association.

The Victorian Under 14 and the Victoria Under 17 touring teams gained untold experience by their matches played against the N.S.W. sides in 1958. After the great success last season, we could quite easily see the N.S.W. juniors contemplating our style of play when they arrive here later in the season. The matches gave the Victorian teams such experience and encouragement that we would be very delighted to play other interstate sides.

Being a member of last season's Under 14 XI gave me and the other members great pleasure, not only in travelling interstate, but also the knowledge it gave us in this vastly improving skilful game. We felt that being picked to represent our State gave us great incentive on the playing field and also that it helped us a lot with our playing skill and sportsmanship.

Realising we weren't sent on an interstate trip to show our pretty blazers to the N.S.W. public, we thought in our minds that being chosen to represent Victoria's soccer public meant hard training, being worthy representatives of our State and able to play clean and fast tactics. So why can't we have "more Soccer tours?" I leave this to you, the soccer public of Victoria.

HOW TO MASTER BALL CONTROL.

Always carry a tennis ball about with you—and whenever you get the opportunity, drop it at your feet and get some dribbling practice. When you are at home, tap it backwords and forwards through the legs of a chair or the table. Out in the garden, use the wall of the house or shed as your "partner." Tap it backwards and forwards against the wall, trying to trap it on the ground, or hit it back first time. Put a few sticks in the ground, about three yards apart, and then try dribbling the ball in and out among them, never letting it get more than a few inches from your feet.

Practice and more practice — that's the only way to master ball control. When you feel confident a small ball, then repeat the practice with a soccer ball.

With only six matches played, six teams with 100 per cent. records: Olympia (Under 12); Trident and St. Kilda (Under 14); Sunshine City and Moorabbin City (Under 16) and Sunshine City (Under 18).

By kind permission of the V.A.S.F.A. the following junior matches will be curtain raisers to the Interstate matches, Queen's Birthday (kick-off at 1.15 p.m.):—

June 13: Under 16 (North)—
Essendon v. Sunshine City.

June 15: Under 14 (South) —
Brighton v. St. Kilda.

Clubs Under 16 (Northern), please note: Williamstown Hostel have withdrawn. All opponents awarded a bye and 2 points.

Two teams from interstate will probably visit Melbourne during the August school holidays. Billets for the boys are urgently required. Any Club or supporter who can assist, please contact either Mr. L. Young, BM 5309 (Olympic Park), or the Junior Secretary, J. P. Threlfell, 3 Ferguson St., Sunshine, W.20.

SECOND DIVISION SOUTH NOTES

By DON SUTHERLAND

Soccer in Victoria has continued to improve for many years now, but one little-recognised fact is the improvement in playing standards which has taken place in the lower divisions since the Leagues were reorganised early in 1958. Soccer followers in outer southern suburbs now have the opportunity of seeing keenly contested soccer in their own locality.

Top of the ladder, with full points, is Sandringham City (ground, Olive Street Reserve, Hampton). This well-balanced team has a strong Scottish influence in play and administration, and is making a determined bid to regain a place in the higher divisions. The inclusion this season of ex-State player, Joe Lachman, has greatly increased the team's goal-scoring potential and Sandringham are firm favourites for premiership honours. Oakleigh (ground, Koornang Road, Carnegie), consisting mainly of Italian-born players, are in second place and have proved their determination by their performances to date. This team is sure to find growing support, particularly with the local Italian-born following. Austria (ground, Royal Park), are improving with every game and are a most attractive team to watch.

Frankston (ground, Cranbourne Road Reserve), started the season well, but have recently dropped points to Oakleigh, Austria and Ferntree Gully. They possess real ability, however, and are by no means out of the battle for promotion. The keen Frankston supporters can be assured of some very good soccer by their team in the second half of the season. Ferntree Gully (ground, Brenock Park Speedway), is a team capable of excellent performances, but the Dutch club has also suffered costly losses against teams lower on the ladder. In view of their ability, their supporters will certainly not lack some thrilling encounters in the future. Bayswater (ground, off Scoresby Road), draws mainly on German-born players.

✦ George Thomson, successor to Davie McKay at wing-half in the Hearts' team, was the regular left-back at the start of last season.

During Hearts' sticky spell during the middle of the season he was drafted to inside-forward where he played with some considerable success and scored quite a number of goals.
